FOUNDATION OF HAPPINESS

SUMADHURA PALAIS ROYALE

TG RERA NO. P02400008107

The *legends* have
found their place,

to create a *legacy*
that lives on

At Palais Royale, we envision a sanctuary
where innovation, aesthetics, cutting-edge
technology, and sustainability converge to
create a living experience that is nothing
short of legendary.

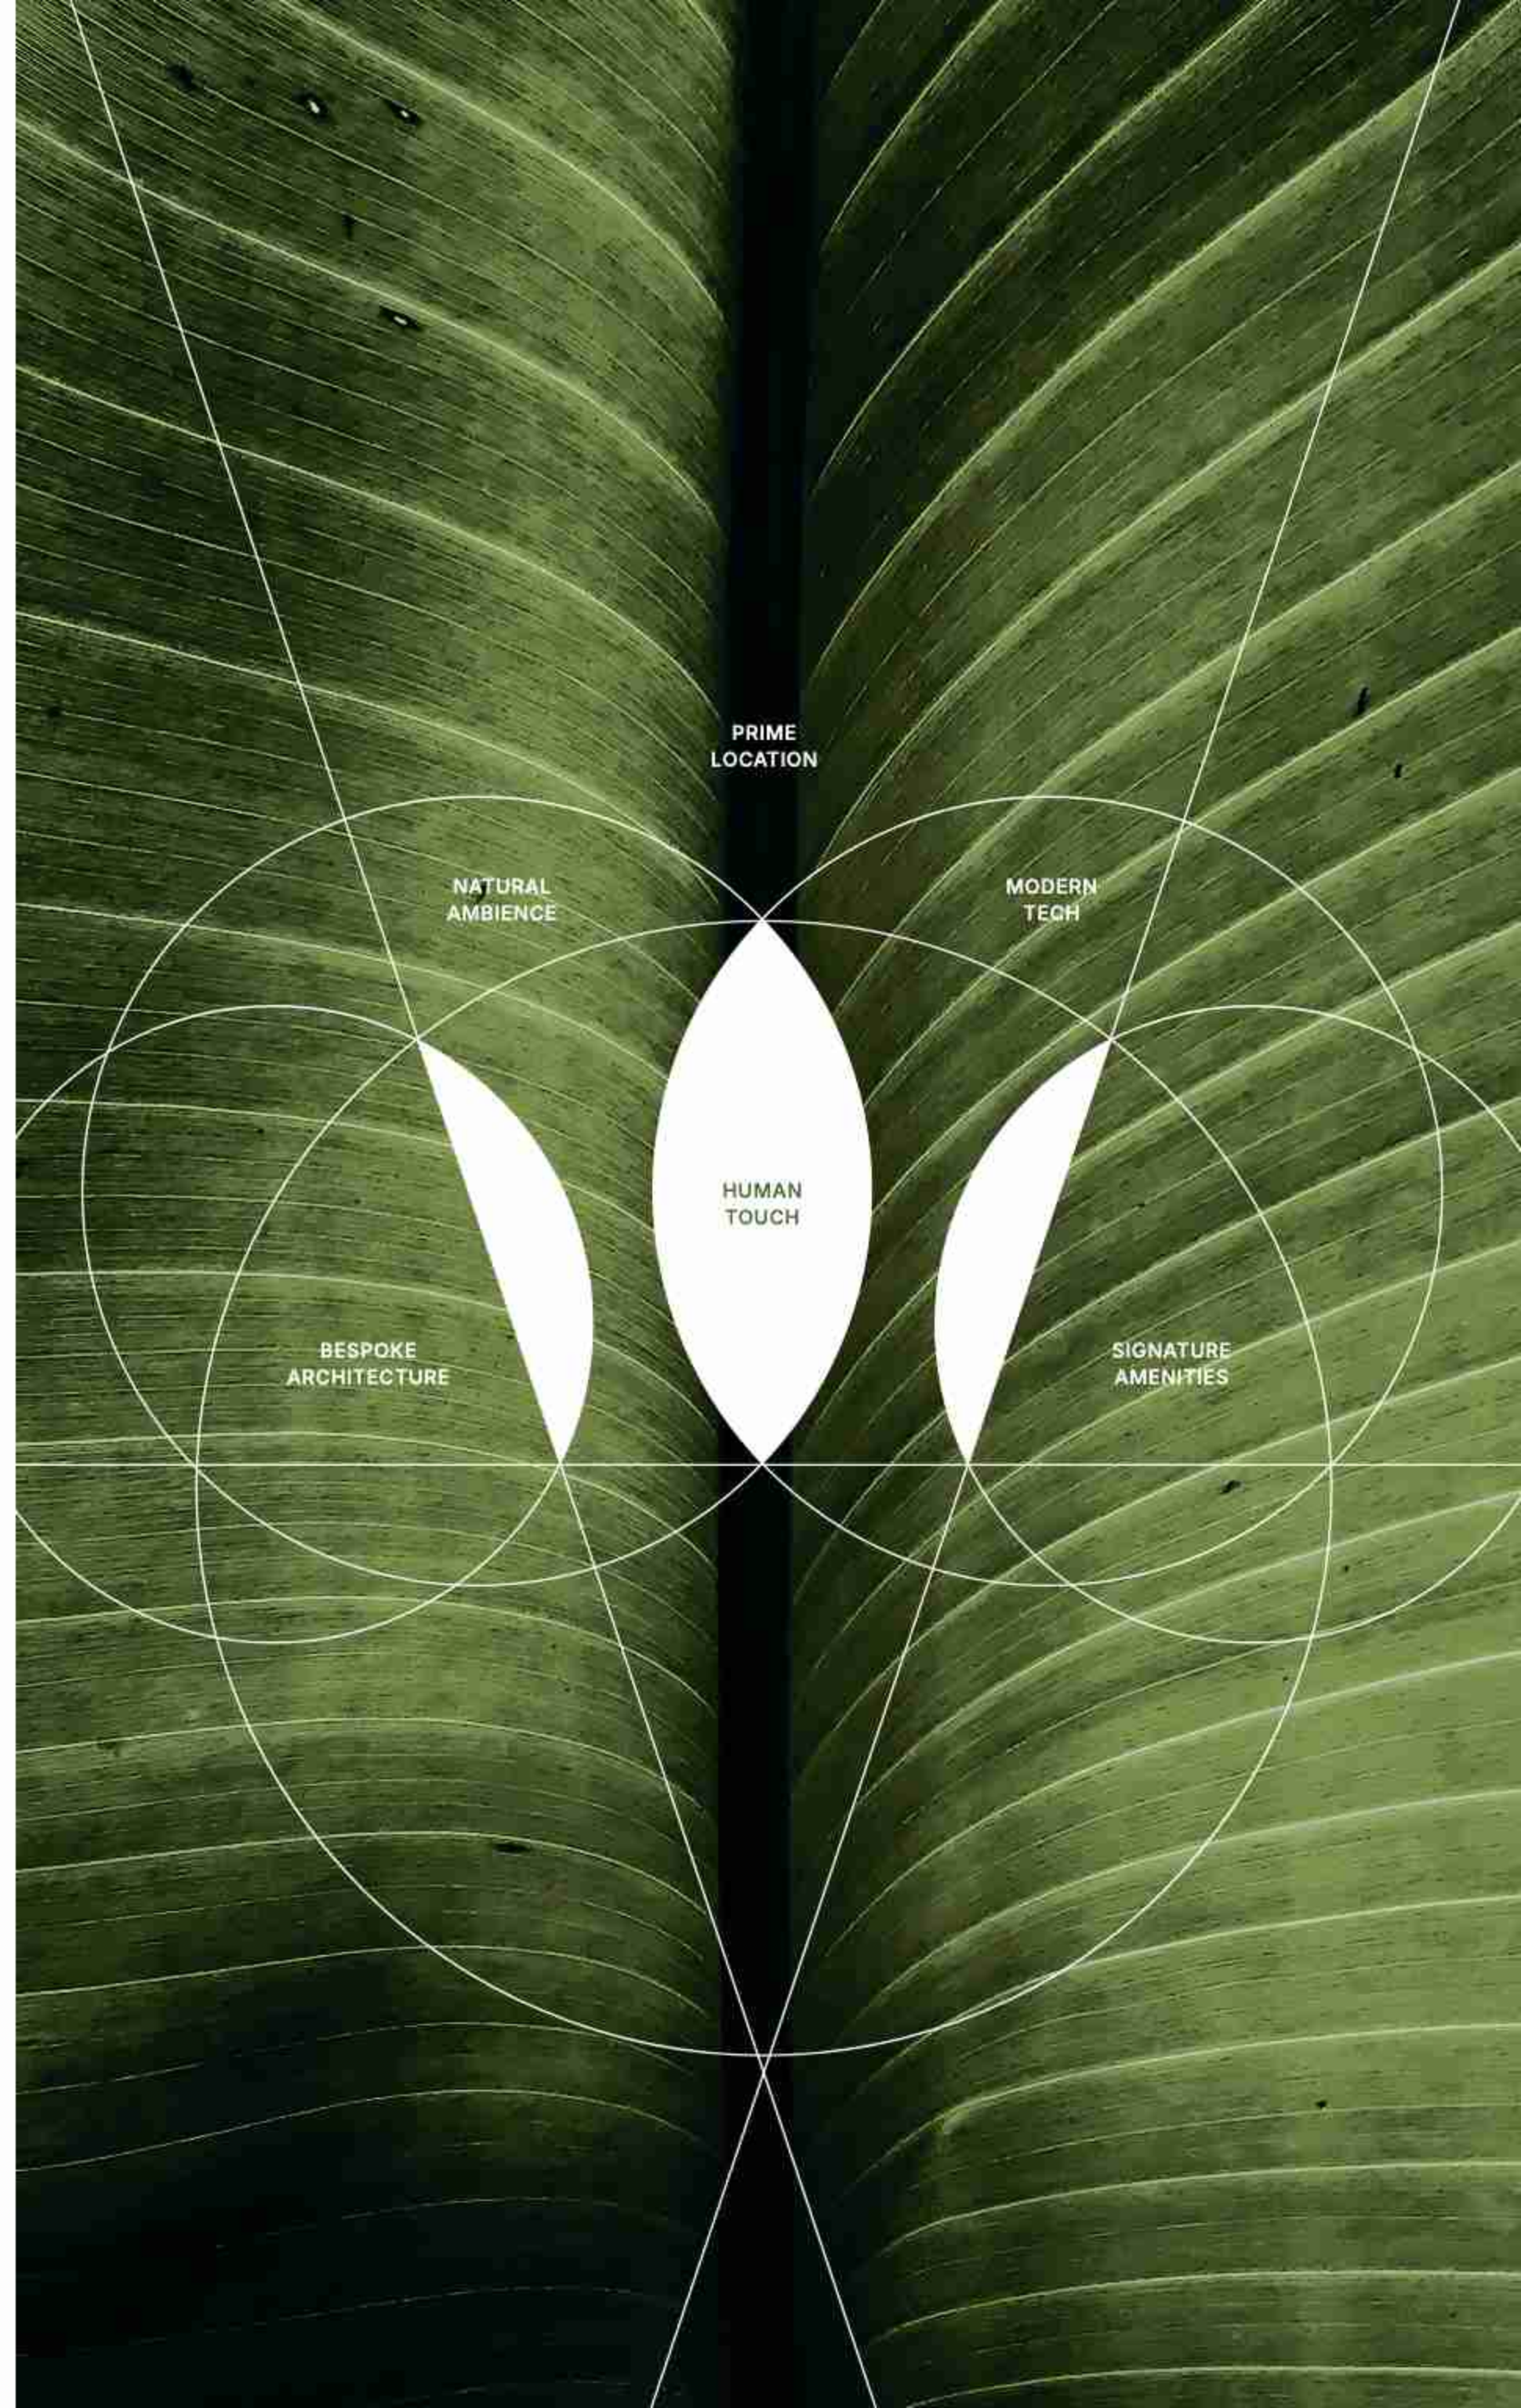

A statement of prestige, built for the discerning few

Nestled in the Financial District of Hyderabad, Sumadhura Palais Royale is perfectly positioned between Hitec City and Neopolis. A contemporary floating architectural design, featuring a single tower that connects three wings, this 7.35 acre development offers low-density living—just 72 units per acre, while being at the heart of the city yet away from the noise.

With 523 meticulously crafted apartments ranging from 3,800 to 6,610 sq ft, spread across all three wings, the project combines natural light, panoramic views, and sophisticated design with integrated technology. Central to this design is a 9m high podium, layered with landscaping and thoughtfully curated amenities, creating a striking urban sanctuary. Additionally, over 100% of the landscape is dedicated to lush green spaces.

Palais Royale elevates the concept of fine living with a pinnacle of contemporary elegance, with a branded 85,000 sq ft clubhouse that includes state-of-the-art facilities and a temperature controlled pool.

It doesn't just end there. With a passion to define a legacy of holistic living, the residences are also supplied with cloud facilities, digital grocery stores, provision for central vacuum system and ERV system. Committed to sustainability, an evaporative cooling system for energy-efficient climate control sets a new standard for fine living—where you are at the center of it all.

Play

The entrance plaza is a transitional lobby experience encompassing of dedicated drop-off zones to ensure a smooth transition into the community. A vehicle-free podium landscape creates a peace haven for pedestrians, where you can explore a variety of facilities, including a sports zone for basketball, tennis, skating, and cricket.

Pause

Next you saunter through a serene indoor-outdoor garden, with its soaring 9m high ceiling and panoramic glass walls, with raked gravel, minimalist greenery, and thoughtfully placed seating, creating the perfect space inviting you to pause.

Lastly, a grand finale into the 'Move' Zone brings about an air-conditioned lobby that is minimalist yet decadent luxury. More than a lobby; it's a statement of avant-garde living.

Move

Amenities that go the *extra* mile

As you step out of your car and into one of the lavish entry lobbies, you experience a transition into six main elevators, providing swift access to the podium level and your apartment.

Every level combines functionality with style, featuring ventilation shafts, directive lighting, and sleek stone-finished walls, making your parking experience anything but ordinary.

The Level 01 Parking Lobby offers a curated set of amenities to enrich your daily life, including:

2x Car Spas

Central Laundry Facility

Property Management Office

Drivers' Lounge, Resting & Shower Facility

Service Elevators for Large Containers

Deboxing Service Area

Central Security Facility

Last Rites Ritual Space

FLOATING CLUBHOUSE

Terraces that *float*, spaces that captivate

The clubhouse is inclusive of an array of open decks and terraces that weave through an ensemble of spaces. With versatile banquet halls, a fully equipped business center, and more, every type of social gathering finds its ideal setting here. All these zones seamlessly merge elegance with nature, creating an ambiance where luxury and practicality coexist in harmony.

Experience dining and entertainment at its *finest* with our Palais Sky Lounge.

Indulge in exquisite meals while gazing at the stars from exclusive sky dining zones in each wing. And for a memorable evening, each wing features a BBQ deck, designed to make every gathering unforgettable.

Clubhouse Concept Note

BY SIDDHARTHA RAO, EDIFICE CONSULTANTS PVT LTD.

Our design intent for the Luxury Clubhouse within 'Sumadhura Palais Royale' started as a sensory experience akin to what one would witness in a modern-day palace, thus making it's end users the equivalent of today's royalty. This very idea coupled with the original architectural intent of integrated biophilia formed the genesis of our approach to provide 'an outwardly rich but sensitively designed living experience.'

Towering volumes that often seamlessly vary from 20 to almost 35 feet in some cases, are a perfect canvas for the material palette that has 'a two toned or twin Marble flooring, Fluted Beige Stone Panels with metallic inlays running across the walls and floors' as the celebrated heroes with various proportions of Teak wood ceilings and doors, glass chandeliers, Metallic arches and indoor Landscaping serving as the ensemble members of their court.

This design vocabulary becomes visible to one across all the common areas and serves as a starting point that each individual space eventually takes forward in accordance with its own function.

Our approach and our choice of these materials is a homage to the rich heritage of palaces from both within our country and from around the world, as spaces that have survived the test of time to remain timeless and relevant even today – the only true testimony towards sustainable design.

About Edifice

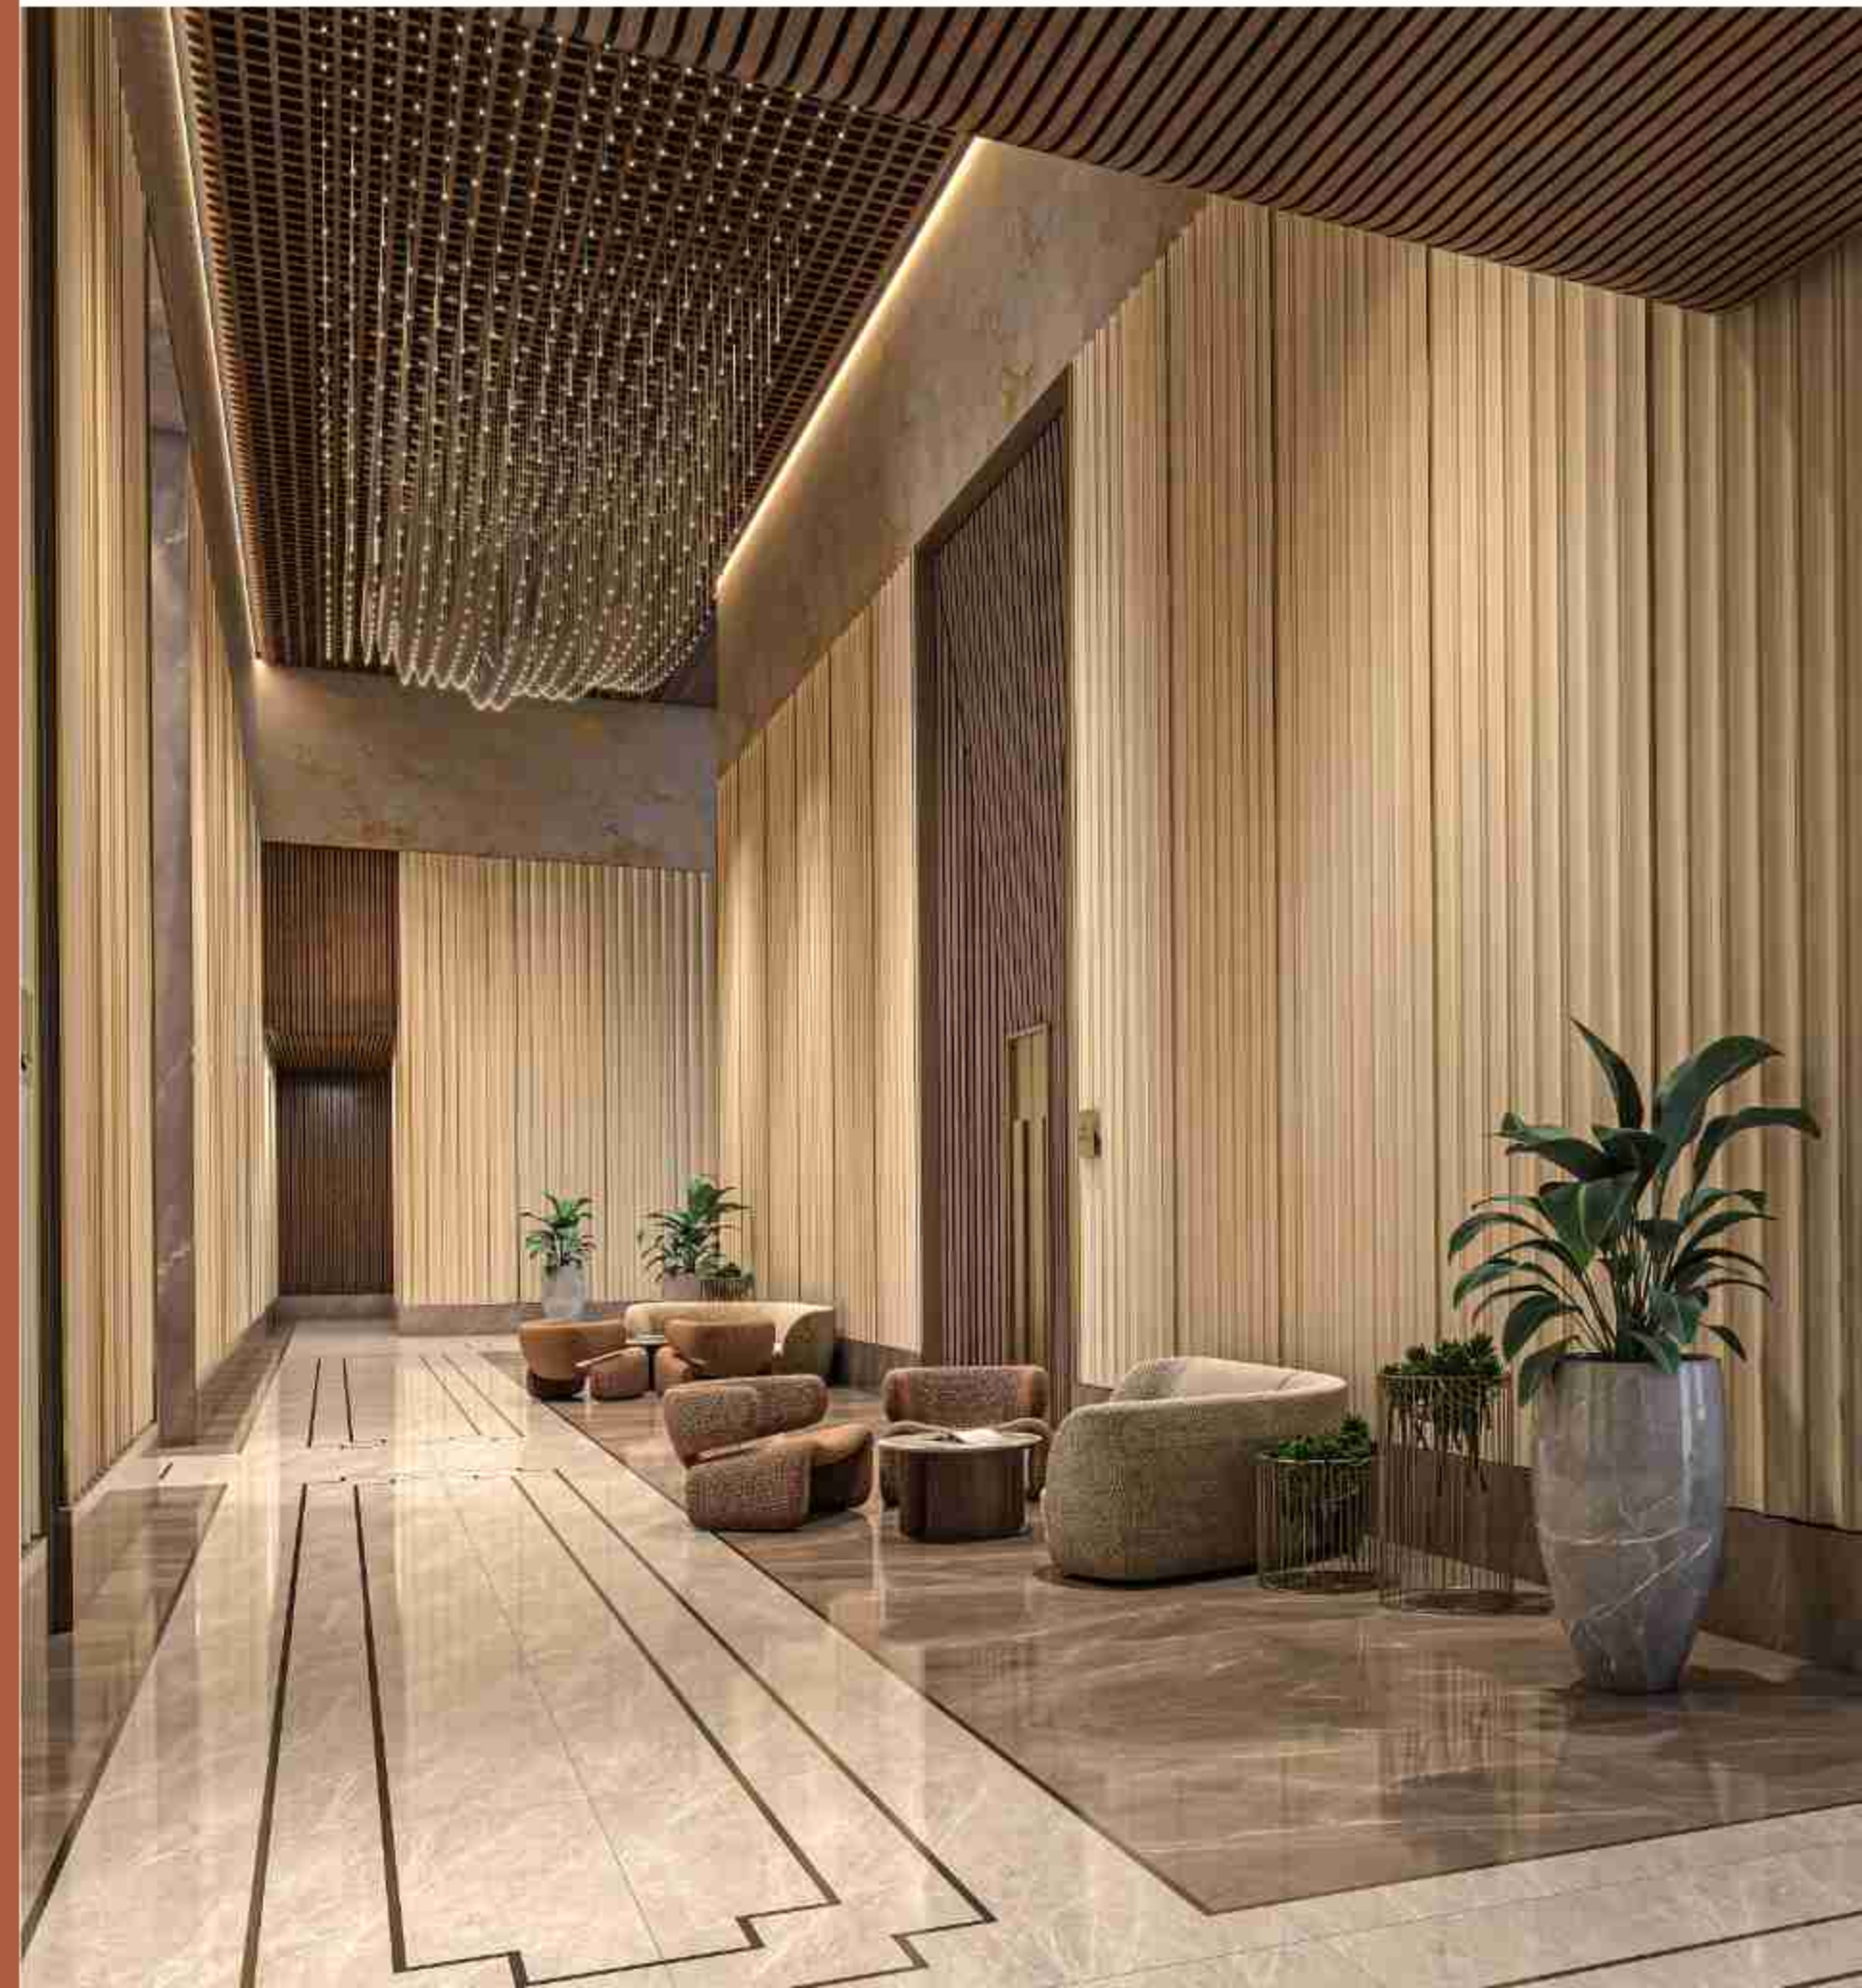

Edifice Consultants Pvt. Ltd. was founded in 1989 by Ravi Sarangan and Sanjay Srinivasan with the aim to practice collaborative architecture while ensuring sensitivity to culture, context, and the environment as the paramount value that ties the rest together.

Today, with over 35 years of experience and over 150-million sq ft of built and ongoing projects, Edifice is propelled by a strong team of 250+ motivated professionals based out of 7 regional branches and is one amongst the largest single practices to originate out of India.

Multiple awards and felicitations reinforce the eminence of both the practice and its projects—including Realty & Excellence Awards for Themed Project of the Year in 2019,

HUDCO Design Awards for Green Building in 2019-20, India's Top Architect Award by CWAB in 2020 and 2021, the GRIHA Exemplary Performance Award for Renewable Energy in 2020 and most recently acknowledged as one of India's Top 30 Architects by Forbes India: The Bold Club.

The 85,000 sq ft clubhouse facility within Palais Royale and has been designed by Edifice's Developer (Interiors) Vertical, and is helmed by Siddhartha Rao (Regional Director – Bangalore) and Vishal Mistry (Regional Director Hyderabad) along with their team of designers M/s Poonam Deorukhkar, M/s Rishika Kak, and Mr. Prasanth K backed by their internal reviewers in the form of Mr Ravi Sarangan and Mr Manoj Choudhury, who are both Directors at Edifice.
